GUN CLUB

Feb. 10, 2023

Hello:

First newsletter of 2023. All the officers of the club remain the same. Probably the only thing of interest from the annual meeting is the CCC is doing away with the wood target racks. Reminder to bring your own target frame if you can. If not we will stretch the rope we have for chunk gun matches and be able to lean the target boards up on that.

We did lose a member last year that I just found out about, Chancy (Dick) Blair. Our thoughts go out to his family.

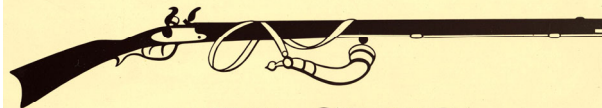

On Saturday February the 18th we will have a Flintlocks Only Shoot, hosted by Page Carr. This is a “free shoot”, Thank-You Page for providing the prizes (he says it may go all the way down to 10th place for prizes!) This has been a cold shoot in the past, never know what the weather may be, hope to see you there with your flintlocks ready to start the season off.

We are starting another raffle; I attached a copy of the flyer.

Take care, hope to see you at the range!

Mark Hazel
President, again!!
