December, 2013

Hello everyone,

Well the turkey shoot has come & gone. We had a great turnout on Saturday, Nov. 2<sup>rd</sup>, 22 or 23 shooters with 1 youngster. The weather started bad in the early morning. Rain on the way to the club. But it stopped before the shoot started. It was cool and a bit windy the rest of the day. One of the gents visiting from another club was top gun for the day and took the Top gun yearly award. Yours truly won the 2013 Hall of Shame award. Well worth it, for one of Ken's targets. I'm glad we didn't allow one shot per dry ball this year or there wouldn't have been any plywood left.

Hope everyone had a good Thanksgiving.

Deer season is underway and everyone should be thinking about the annual meeting. I wanted to get this letter out early so everyone can put it on their schedule. At the turkey shoot I said the annual meeting was Jan 18<sup>th</sup>. After clearing this with Bob Smith I realized I didn't allow for a bad weather date. Sooooo the meeting date is changed to Saturday, January 11<sup>th</sup>, at 11:00 AM at Centerburg's clubhouse. (Mark your calendars) As in the past we will eat around 11:30 so come hungry and bring a covered dish. Cold cuts, soda and coffee will be provided. If you are willing and able please bring any muzzleloading related items of interest for display. (a new project or something to show off.) Arrive early if you want, we will be setting up around 10:00.

We are in dire need of some new trustees, so please seriously consider this. It just means you need to run a shoot during the year and attend a meeting or two. You're welcome to call me at 614-863-5418 if you're interested in one of the spots, or have your name nominated from the floor at the meeting. Also if you can, come ready to pay the club dues of \$10. If interested, Centerburg's dues are \$65, Seniors who turned 65 in 2013 and have been a Centerburg member for at least 10 years are \$ 32.50.

If weather and/or road conditions are too hazardous on the 11<sup>th</sup>, the make-up date is January 18<sup>th</sup>. If the weather looks questionable please feel free to contact me at 614-863-

5418, Neil Eddington at 740-877-9909, Ken Netting at 614-855-9471 or Colin Greene at 419-768-1428 for status.

We're discussing a seminar for early February and will let you know more at the meeting. Should you have any ideas for one bring it with you!! We have a lot to discuss at the meeting, so be ready to stick around a while.

Attached or enclosed (depending on email or US mail) you will find next year's shoot dates. Please remember the January meeting is the 11<sup>th</sup> with a snow date of the 18<sup>th</sup>.

That's all for now, see you early January 11th.

Merry Christmas & Happy Holidays to all,

Rick
