

April, 2016

On Saturday, April 2nd we had our April shoot. What a beautiful day. Temperatures in the 30's and 40's and winds from 20 to 40 mph. Around 15 showed up to rebuild the racks with twelve signing up to shoot. We started working on the racks about 8:30 and had them completed by 9:30. Thanks to all those that showed up early to help out. We replaced most of the horizontal boards but no posts this year. Shooting started around 10:00 and ended around 2:30.

Our shoot hosts were Bonnie and Kevin. Tom Darfus had signed up but had a family commitment to attend. Thank you Bonnie & Kevin for taking over and thanks to Sis for purchasing the prizes. Thanks for the extra effort, guys. I don't believe anyone made it into the Hall of Shame. The free shooter for Sunday, May 1st is Tim Merz. Phil Hines took Top Gun.

On Saturday, April 9th we were supposed to host the muzzle loading station at Knox County's Pheasants Forever/4H youth day. Weather was so bad I cancelled our group. Temps in the AM were in the 20's with snow, while the afternoon made it into the 30's with more snow.

Our next shoot is May 1st with Diane and Ralph Arms as shoot hosts. A Sunday shoot, so it starts at 11:00. Hope to see everyone there. Hopefully we will have some decent weather for a change.

Yours Truly,

Rick Harkless
