## GUN CLUB

August 22 2018

Hello;

I'm behind again! Sorry this letter is a few days later than I would have hoped for. Our last shoot was the One Day Woods Walk extravaganza and it went very well. Thanks to all for the help setting up on Friday and bringing in targets on Saturday. Since the 2day Woods Walk is not that far away, we did leave some targets in the woods to save time setting up the next time.

I didn't keep notes, going from memory, we had 24 shooters and First Place was Gary Bevard, but everyone was a winner!

The next shoot will be Sunday August 26th, starts at 11:00 this will be a grocery shoot, the top 6 places in each target win a prize. Shoot host is Barb Grubaugh. Where did this month go? I lost a week somewhere! We'll be heading to Friendship before you know it.

Old business, we no longer will be collecting your dues for Centerburg Conservation Club, I'm not sure when, how or why that was started, but it is over. Also the nights before a shoot, CCC lets us camp for free, so think about taking advantage of that.

New Business, if you have Facebook (I don't), Joyce Harkless has created a page for OVMLGC, check into that. If you need help, send her an email (use the OVMLGC@gmail.com) and I'm sure she will get you started.

AGAIN, SORRY THIS IS SHORT NOTICE, BUT HOPE YOU ARE ALL DOING WELL AND WILL SEE YOU NEXT SUNDAY.

Sincerely  
Mark Hazel
