

† In Loving Memory †
MICHAEL LEE HILL

January 15, 1958 – May 2, 2026

Michael "Mike" Lee Hill, age 68, passed away unexpectedly at his home, where he was found by his beloved sister, Valerie McGraw. He was born to Vivian Hill and Clifford Hill Sr., and lived a life rooted in faith, service, and love for others. Mike was a cherished member of the Sunbury community and surrounding areas.

A man of unwavering faith in the Lord, he was a devoted son, brother, and uncle. He was a master craftsman and carpenter, a gifted guitar player and singer, a lover of dogs, and an avid collector of Native American artifacts. Some of his greatest joys were found in simple, meaningful moments—hunting, fishing, sharing meals with family and speaking the Word of the Lord with anyone willing to listen. His steadfast character and Christ-centered life led many to come to know Jesus Christ.

Mike was a proud member of the Ohio Valley Muzzleloader Club, the Archaeological Society of Ohio, and American Legion Post 457 in Sunbury. The family extends heartfelt gratitude to the men and lifelong mentors of the Legion; through their support, Mike remained sober from 1991 forward and grew deeply in his faith.

Throughout his life, he served as a quiet but powerful example of humility, kindness, and devotion. Mike was deeply loved and respected by his nieces and nephews, his sister, brothers, extended family, and many dear friends.

He was preceded in death by his parents,
his brother-in-law William McGraw,
and many cherished friends.

To know Mike was to love him.
There will never be another like him.
Though his absence is deeply felt,
we rejoice in the promise of eternal life
and find peace knowing he is at home
with the Father in Heaven.

*"Well done, good and
faithful servant."*

— Matthew 25:23
