## GUN CLUB

July 6, 2023

Hi Everyone;

The Founder's Day weekend shoot was very good. Having a Woodswalk on Saturday was well attended by 21 shooters, Jeff Pell came in first place. After the prizes were taken, we got pizza's and told stories and made excuses why we didn't shoot our best! It was fun.

On Sunday the paper match shot by 15, the winner was Trent Grove who took home the Tomahawk made and donated by Bob Kiebel.

Our next shoot is On July 15<sup>th</sup> is a One Day Woods Walk, the prizes will be "meat".

Thanks goes out to Rick Harkless who built two benches that are located on the Woodswalk path.

I've been slipping on the Hall of Shame; I believe Sis got in on Sunday. If you dry balled or shot your ramrod or anything else silly, let me know.

Our shoot this month coincides with Deathwinds shoot. This is not intentional; we get second pick on our range dates so it just happens once in a while.

Take Care!! See you at the range.
