

April 22, 2020

Hello All;

The next scheduled shoot is May 3rd, 2020 and due to the Covid-19 pandemic we have to cancel again. The Centerburg Conservation Club Kids fishing event for May 16th is postponed, it has not been rescheduled yet. The Shoot Calendar has our next date on Saturday May 30th for a "Squirrel Shoot" all targets will be squirrel theme. I'd like to think we will be able to have this shoot. We may have to wear masks, but that's OK!

On the bright side, so far for 2020 no one is in the Hall of Shame yet 😊

Boy, very little to talk about since we haven't been to the range since the Blanket Shoot on March 3rd.

The Harkless' have finally moved into their new home, getting the old place cleaned up to put on the market. I know Rick and Joyce have been very busy with the move. We have items for the next raffle, but the flyer is not ready yet or I would mail it with this newsletter. Hopefully I can send it in the next letter, and we'll be selling tickets soon. It will also be available on our website once it's done.

That's about all I have, hope we can have our shoot on May 30th. Visit our web site at <http://www.OVMLGC.com> AND on Facebook.

Stay safe!

Mark Hazel
