

OHIO VALLEY MUZZLE LOADING

GUN CLUB

September 22, 2026

Hi Everyone;

Our last shoot was a Paper Match, hosted by Steve Props. I turned him loose in the scoring shed and he did pretty good. We had 17 shooters for a nice day at the range. Several inductees into the Hall of Shame: Bill Grubaugh and John Potter. The Top Gun was Rick Horton.

The next shoot is the **2 Day Woodswalk on October 3rd and 4th**. Cliff and I will be setting up the course on Friday afternoon/ Saturday morning if necessary. I will be camping and I expect the Grubaugh's to camp. Let's fill the campground!!

Also, I got permission to bring a UTV to give rides to anyone who needs a ride back into the woods. We can also pickup riders that have finished and need a ride back to the shed. We're hoping this will get us a few more shooters!

Saturday's prizes will be merchandise, Sunday's prizes will be meat, and of course the top gun (total for both days) will get the Ed Rayl barrel.

After the shoot on Saturday, we will be having a Chili dinner, like we have done in the past but we will downsize according to how many people bring chili to add to the pot. Everyone is welcome to join us at the campfire.
