

# OHIO VALLEY MUZZLE LOADING

## GUN CLUB

---

August 28 2024

Hi Everyone;

This summer has been a hot one, the lawns are brown and some leaves are already on the ground. I don't like to rush seasons by, life goes fast enough as it is, but I may be glad to see some cooler weather. This weekend is Labor Day, hope you all get to visit with family and have some time off of work.

Our last shoot was on August 4<sup>th</sup>, a paper match with 16 shooters. Sis came down with covid and missed her shoot. She picked the targets and we were happy to shoot holes in them. Rick Harkless did the scoring. Pete Phillips was the Top Gun.

Our next shoot is Saturday September 7<sup>th</sup>. The host is Cliff Grubaugh. Prizes will be groceries.

We keep talking about having a pistol match, lets make it happen. Bring your pistol and lets have some fun after the match. Not knowing how many will participate, I think the easiest way to have a prize on this is to split the pot.

I plan to camp Friday night, hoping for cool evening!

Mark
