9-27-2024

Hello All;

Our last shoot was on Sept 7th, Rick Harkless and Mark Herman covered for Cliff Grubaugh, who had to work. Lars Lutton provided a pot of chili, very good, thanks much to all for helping put this shoot on. We had 12 shooters and a young man (Xavier) that stopped in to watch, hopefully he will become a shooter. Trent Groves was showing Zavier the ropes and he dry balled, I think he deserves a free pass 😊 on that. Top Gun was Dan Blevins. The day started off cool but ended up very nice.

Our next shoot will be the two-day Woods Walk on October 5th and 6th and I'm the host. Both Days the prizes will be merchandise, donated items, handmade items, etc. Best score gets first pick and down the line, everyone will get a prize. Top Gun, being the combined high score for both days, will win a rifle barrel that was hand rifled by several club members, I hope I have them all: Ken Netting, Tom Darfus and Kevin Calderwood. I plan on camping Friday and Saturday night. I should be able to get them all painted up and be ready to go Saturday morning, not exactly sure when I'll get up there on Friday. We have to keep the range available for CCC shooters, so kind of work in between them and get it done or do setup early Saturday.

Saturday after the match we will be having the "Annual" Chili dinner. Please bring a batch of your recipe chili and add it to the kettle for everyone to join in after shooting on Saturday. Corn bread, crackers, cheese, any deserts are welcome also. Your favorite beverages too!
Even if you can't bring a batch of chili to add into the kettle, you're all welcome to stay Saturday evening for the chili dinner. The Grubaugh's started this and, this will be the 5th year for the Chili dinner, it's fun and getting more people that stay every year, please plan on eating with everyone.
Hope to see you there!

Mark Hazel

Coming Up: October 19 & 20 at Deathwinds
October 27 at Columbus Muzzleloading
